

AINSLIE FOOTBALL CLUB | GUNGAHLIN LAKES CLUB

Requests for Assistance & Sponsorship

The Ainslie Football & Social Club's Community Assistance Program was formed in order to support the Board of Directors in its responsibility for allocating financial and in kind support to charitable and other not-for-profit community organisations in Canberra.

The Committee meets monthly and assesses the community assistance requests according to the Club's approved strategy, budget constraints, policy and criteria.

The Ainslie Football & Social Club's primary objectives include:

- to foster Australian Rules Football & Sport
- to offer support to a large range of sporting organisations;
- to be committed to sport and its values;
- to provide information and services to support our members and community organisation.

The process for granting community assistance is as follows:

- Applications are submitted in writing via the Club's Community Assistance Request Form.
- Applications for support must be supported by the business plan including budgets for the organisation and evidence of effective governance. All current and proposed sponsors must also be declared;
- The Committee will review the application based on the Club's community assistance policy and criteria and will recommend to the Board the level of support to be provided; and
- The Club will inform all applicants the result of their request within 30 days from the application being received.

Ainslie Football & Social Club

(Includes Gungahlin Lakes Golf & Community Club
and the Canberra City Bowling Club)

COMMUNITY ASSISTANCE REQUEST
